

For TRRC Members and Guests

The Ultimate in Rifle Accuracy – Benchrest Clinic

Ever wonder what it takes to consistently shoot predictable small groups with a rifle?

Now you can get an introductory crash course on all aspects of accurate rifle shooting principles and skills that you can apply to your hunting, range or competition interests!

Plus, you will have a chance to handle and shoot some of the most accurate benchrest rifles, and put into practice what you learned in the classroom.

Saturday, March 23, 2019

9:30am – 1:30pm*

**must attend classroom session 9:30am to 11:45am to be able to shoot afterwards.*

Basics classroom session followed by Main Range shooting of provided rifles.

No charge to TRRC members • \$10 Non-members • Seating is limited • Register early online
